Historical Context

Hawaii became a part of the United States on August 21, 1959, but its relationship with the U.S. began long before statehood. Understanding July 4th in Hawaii requires knowledge of the islands' history, particularly its interactions with Western powers.

Early Encounters and the Kingdom of Hawaii

- **Overthrow of the Monarchy:** In 1893, a group of American and European businessmen, aided by the U.S. government, orchestrated the overthrow of Queen Lili'uokalani, the last reigning monarch of Hawaii. This event marked a pivotal moment in Hawaiian history and set the stage for the islands' eventual annexation.
