Why Use a Toaster Oven?

Toaster ovens are compact, energy-efficient, and perfect for small kitchens or for those who want to save time. They preheat quickly and can be used for various cooking methods, including baking, broiling, toasting, and reheating. Here are some benefits of using a toaster oven:

- **Energy Efficient:** Toaster ovens use less energy compared to traditional ovens, making them environmentally friendly and cost-effective.
- **Space-Saving:** Their compact size is ideal for small kitchens, apartments, or dorms.
- **Quick Cooking:** Toaster ovens heat up faster, reducing overall cooking time.
- **Versatility:** From roasting vegetables to baking desserts, the toaster oven can handle various cooking tasks.

Breakfast Meals to Make in a Toaster Oven

Starting your day with a hearty breakfast is easy with a toaster oven. Here are some delicious breakfast ideas:

1. Toasted Egg and Avocado Sandwich

This meal is both nutritious and filling. Here's how to make it:

1. Toast two slices of whole-grain bread in the toaster oven.

2. While the bread is toasting, crack an egg into a small oven-safe dish and season with salt and pepper.
3. Bake the egg in the toaster oven until the white is set but the yolk is still runny, about 8-10 minutes.
4. Top one slice of toast with smashed avocado, place the egg on top, and finish with the other slice of toast.

2. Mini Frittatas

These bite-sized frittatas are perfect for meal prep and can be customized with your favorite ingredients.

1. Preheat the toaster oven to 375°F (190°C).
2. Whisk together eggs, milk, salt, and pepper in a bowl.
3. Mix in diced vegetables, cheese, and cooked meats if desired.
4. Pour the mixture into greased muffin tins and bake for 15-20 minutes or until the eggs are set.

Lunch Options for Easy Toaster Oven Meals
