The Old Testament is divided into several key sections, each with its own unique characteristics and purposes. Familiarizing yourself with these divisions is essential for a comprehensive study.

The Pentateuch

The first five books of the Old Testament, often referred to as the Torah or the Pentateuch, are foundational texts that outline the creation, early history, and laws given to the Israelites.

1. Genesis - Covers the creation of the world, the patriarchs Abraham, Isaac, Jacob, and Joseph.

4. Numbers - Chronicles the Israelites' journey through the wilderness and their preparation to enter the Promised Land.
5. Deuteronomy - A reiteration of the Law, delivered by Moses before the Israelites enter Canaan.

The Historical Books

Following the Pentateuch, the Historical Books narrate the history of the Israelite people from their conquest of Canaan to their exile and return.

1. Joshua - The conquest and division of Canaan.
2. Judges - The cycle of sin, oppression, and deliverance during Israel's early years.
3. Ruth - A story of loyalty and divine providence during the time of the judges.
4. 1 & 2 Samuel - The establishment of the monarchy under Saul and David.
5. 1 & 2 Kings - The history of Israel and Judah's kings and the eventual fall of both kingdoms.
6. 1 & 2 Chronicles - A retrospective view of Israel's history, emphasizing the southern kingdom.

7. Ezra & Nehemiah - The return from exile and the rebuilding of the temple and Jerusalem.
