How to Get Started at Pine Street Physical Therapy

If you are interested in starting your journey toward recovery at Pine Street Physical Therapy, here are the steps to follow:

1. Schedule an Initial Consultation

The first step is to book an appointment for an initial evaluation. During this consultation, the therapist will assess your condition, discuss your medical history, and understand your goals for therapy.

2. Develop a Personalized Treatment Plan

Based on the evaluation, the physical therapist will create a tailored treatment plan that outlines specific goals and the methods to achieve them. This plan will be adjusted as you progress through your therapy.

3. Attend Regular Sessions

Consistency is key in physical therapy. Attend your scheduled sessions and engage fully in the recommended exercises and activities, both during therapy and at home.

4. Monitor Progress

Throughout your therapy, your progress will be monitored closely. Adjustments to your treatment plan will be made as needed to ensure you are on track to meet your goals.
