## Tips for Earning Trophies

Achieving the various trophies in Rogue Legacy 2 can be a rewarding experience, but it also requires skill and strategy. Here are some tips to help you earn those trophies more efficiently.

### 1. Master the Controls

Understanding the game's controls is fundamental to success. Spend time in the early levels to familiarize yourself with the character's movement, attacks, and abilities. This will help you navigate obstacles and defeat enemies more effectively.

### 2. Upgrade Your Characters

As you progress, use the gold you collect to upgrade your characters. Focus on enhancing health, attack power, and defensive capabilities. This will make it easier to face tougher bosses and complete more challenging levels.

### 3. Choose the Right Class

Rogue Legacy 2 offers a variety of classes, each with unique abilities. Experiment with different classes to find one that suits your playstyle. Some classes may be better suited for specific trophies, such as those requiring speed or combat proficiency.

### 4. Explore Thoroughly

Many trophies require exploration to uncover hidden areas or collectibles. Take your time to search each level thoroughly. Look for breakable walls, hidden passages, and secret rooms that may lead to valuable rewards.

### 5. Practice Makes Perfect

Don't be discouraged by failure. Rogue Legacy 2 is designed to challenge players, and dying is a part of the experience. Each run provides valuable experience, and you can learn from your mistakes to improve your skills in subsequent attempts.

## Specific Trophy Strategies

Some trophies in Rogue Legacy 2 can be particularly challenging. Here are specific strategies for a few of the more difficult trophies.

### Speedrun King

To achieve the Speedrun King trophy, you must complete the game in under 1 hour. Here are some tips:

- **Plan Your Route:** Learn the layout of the levels and plan the fastest route to the final boss.
- **Use Movement Abilities:** Classes with superior movement abilities can aid in traversing the map quickly.
- **Skip Unnecessary Fights:** Avoid battles that do not contribute to your run time. Focus on moving past enemies instead of engaging in every fight.
- **Practice Speedrunning:** Familiarize yourself with enemy patterns and boss

mechanics to minimize downtime during encounters.

## Perfectionist

Completing the game on New Game Plus for the Perfectionist trophy requires skill and preparation:

- **Maximize Upgrades:** Ensure that your characters are fully upgraded before starting New Game Plus to increase your chances of survival.
- **Utilize Strong Characters:** Choose characters that have abilities that lend themselves well to your playstyle and the challenges of New Game Plus.
- **Be Prepared for Tougher Enemies:** New Game Plus features stronger enemies. Adjust your strategy accordingly, focusing on defensive play when necessary.

## All the Feels

To discover all lore entries for the All the Feels trophy, follow these tips:

- **Pay Attention to Your Surroundings:** Lore entries can be hidden in plain sight. Investigate every corner of each level.
- **Interact with NPCs:** Many lore entries are tied to NPCs. Speak with them frequently to gather all information.
- **Use Online Resources:** Community resources, such as forums and wikis, can provide insights into specific lore locations.
